Mr. John T. Conway
Executive Director
Joint Committee on Atomic Energy
Congress of the United States
Washington 25, D. C.

Dear Mr. Conway:

Thank you for your recent communication forwarding copies of the Joint Committee's updated memorandum setting forth the procedures which have been approved for the delivery and receipt of classified material at the Committee office. A copy of your memorandum has been forwarded to our courier section so that appropriate Agency couriers will be aware of these updated procedures.

For the Committee's information and use, I am enclosing a list of ten Central Intelligence Agency couriers having Top Secret and Restricted Data clearances. A physical description and photograph for each courier are included. In addition, the following persons are authorized to receive information containing a security classification through Top Secret Restricted Data:

Office of the Director:

Mr. Walter Elder
Mr. Enno Henry Knoche

Office of Legislative Counsel

Mr. John S. Warner

Sincerely,
